30 YEAR FLUROPON® PAINT
LIMITED FINISH WARRANTY

Inland Buildings, (IB), extends this limited finish warranty to the buyer listed in the signatory below and warrants that its goods, identified as Fluropon® colors used for Exterior building panels and trim, when applied over prime quality GALVALUME® or Hot-Dipped G90 Galvanized coated steel, will perform as follows:

WORKMANSHIP

All fabricated steel components are warranted only against failure due to defective material or workmanship for a period of one year from the date of shipment.

COVERAGE

This warranty applies to goods used on architectural, commercial, engineered, or residential metal buildings, which are installed in the continental United States.

The term of coverage for this finish warranty shall be for a period of thirty (30) years after goods ship from IB for film integrity, chalking and color change.

1. Our Fluropon® family of coatings, properly applied to GALVALUME® or Hot-Dipped G90 Galvanized coated steel, for commercial or industrial building parts will meet the following standards from the date of shipment:

   WILL NOT crack, check or peel (lose adhesion) for 30 years, this does not include fracturing, which may occur in proper fabrication of the building parts and does not affect the integrity of the coating.

   SIDEWALL PANELS [for 30 years from date of shipment]

   a. WILL NOT chalk in excess of ASTM D-4214-98 method D659 number eight (8) rating.
   b. WILL NOT change color more than five (5.0) Hunter _ E units as determined by ASTM method D-2244-02.

   Color change shall be measured on an exposed painted surface that has been cleaned of surface soils and chalk, and the corresponding values measured on the original or unexposed painted surface. It is understood that fading or color changes may not be uniform if the surfaces are not equally exposed to the sun and elements.

   ROOFING PANELS [for 30 years from from date of shipment]

   a. WILL NOT chalk in excess of ASTM D-4214-98 method D659 number eight (8) rating.
   b. WILL NOT change color more than five (5.0) Hunter _ E units as determined by ASTM method D-2244-02.

   Color change shall be measured on an exposed painted surface that has been cleaned of surface soils and chalk, and the corresponding values measured on the original or unexposed painted surface. It is understood that fading or color changes may not be uniform if the surfaces are not equally exposed to the sun and elements.

EXCEPTIONS

This finish warranty DOES NOT APPLY to goods exposed at any time to corrosive, abrasive, harmful or other abnormal atmospheric conditions, including, but not limited to, the conditions present in the following areas or circumstances:

1. Areas subject to salt-water marine atmospheres or to repeated spraying of salt or fresh water, stored or installed in an environment that includes a high degree of humidity, sand, dirt, or grease, whether naturally occurring or caused by man.
2. Goods installed within **1,500 feet** of salt-water or other marine environment.
3. Areas subject to fallout of, or exposure to, conditions such as airborne abrasives, corrosive chemicals, ash fumes, cement dust, or contact with animals and/or animal waste or its decomposition products, wet cement or mortar, green or wet lumber, carbon black, salts or other chemicals, any acidic compounds carried by air or water including, but not limited to acid rain, whether naturally occurring or caused by man.
4. Areas subject to water run-off from lead or copper flashings, or to areas in metallic contact with lead or copper or installed in areas which are subject to fallout from copper, lead, nickel or silver mining or refining operations.
5. The attachment of components, such as curbs, vents, gutters, flashings signs, fascias, skylights, walkways, guy wires, windows, doors or other such materials, accessories or machinery, the attachment of which is not made known to and approved by IB in writing prior to installation.
6. Circumstances where corrosive fumes or condensates are generated or released inside the building.
7. Normal wear and tear, misuse, or any other case beyond the control of IB.

This finish warranty DOES NOT APPLY in the event of:

1. Goods which have suffered scratching or abrasion or impact by a hard object or improper scouring or cleaning procedures; have been abused, altered, modified, used in a manner not originally intended or stored contrary to IB instructions or in accordance with good industry practice; are damaged or stained due to moisture entrapment in bundles/packages during transit or storage; are stored or installed in an area, or in such a way, that damage can occur due to poor air circulation; have suffered any damage caused by acts of God, radiation, falling objects, explosion, fire, riots, civil commotions, acts of war or other external forces.
2. Goods which suffer crazing from radial bending (hems), cut edge exposure or edge creep.
3. Goods which have suffered discoloration or corrosion from the rusting of embedded or topical steel shavings which were not properly removed during the erection process; improper insulation installation allowing moisture to remain in contact with any goods; Goods in direct contact with concrete foundation, grease or wet lumber, wet or damp insulation.
4. Goods which have been damaged by outside sources, improper installation, improper storage or handling, misuse or abuse, or lack of proper maintenance.
5. Deterioration of the panels caused directly or indirectly by contact with fasteners. Selection and specification of suitable long-life fasteners to be used with goods rests solely with the Buyer.
6. Non-vertical slopes of roof or sections on the roof flatter than 1/4:12 or any other circumstances that cause improper drainage or the holding of water, including internal condensation from overlaps and all other surfaces of the goods.

SAMPLE

CLAIM PROCEDURE

Any claim under this finish warranty shall be made to IB, in writing, within thirty (30) days after (a) discovery of suspected defective goods, or (b) the time a reasonable person should have discovered the defective goods, whichever is sooner, or the claim shall be waived. Additionally, any claim shall include (a) a copy of this, properly executed, warranty, and (b) a video and/or photographs of the claimed defective goods. IB shall be given a prompt and reasonable opportunity to inspect the installation and investigate the claim validity and, if necessary, coordinate a joint job site inspection with its supplier's representatives or the goods claimed to be defective. It is the Buyer's responsibility to demonstrate to IB and IB's supplier's satisfaction that any claimed defect was due to a breach of this finish warranty.

REMEDY

Remedy shall be by either goods replacement or goods refinishing of the defective portion of the field installation only, in accordance with standard industry practice, F.O.B. Buyer's job site. Buyer shall be responsible for all labor, materials and other costs incurred in connection with the removal of defective goods, transportation, and reinstallation of replacement or refinished goods. Buyer acknowledges that this finish warranty is derived from the finish warranty issued by IB's supplier to IB, which IB is passing on to Buyer. Accordingly, any remedy is subject to IB's supplier's decision to accept the claim and the authorization and choice of remedy for any accepted claim shall rest solely with IB's supplier. In no event shall the Buyer be eligible to receive greater remedy from IB than the remedy IB receives from its supplier. Any unauthorized efforts by Buyer to remedy the alleged defective goods shall void this warranty. IB and the customer agree that any and all controversy as to this warranty or any matters relating there to shall be decided in accordance with the laws of the state of Texas and the laws of the United States of America.

ADDITIONAL WARRANTY LIMITATIONS

IB SHALL NOT, UNDER ANY CIRCUMSTANCES, BE LIABLE FOR SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER. The remedies set forth herein are exclusive.

Any portion of goods replaced or refinished pursuant to this finish warranty shall be deemed to have been coated, delivered, and installed on the date of the original goods and the duration of this warranty shall not be extended beyond that of the original factory-applied finish. Buyer shall exercise diligence in inspection of goods which are used and contain finish defects discernable by reasonable inspection. This finish warranty applies only when specifically requested by the Buyer in writing. It shall not apply to painted finish metal used for a purpose other than exterior building panels and trim or to orders not designated in writing by the Buyer as finish warranty orders.

Any dispute arising out of the installation or Limited Finish Warranty of the subject roofing system will be settled by arbitration. One arbitrator appointed by the American Arbitration Association from a commercial panel will hear this dispute. The decision of the Arbitrator shall be final and binding on the parties both as to law and fact and shall not be appealable to any court in any jurisdiction. The parties shall share the expenses of the arbitration equally unless the Arbitrator determines that the expenses be otherwise assessed. Arbitration shall take place in Houston, Harris County, Texas.

IB extends this finish warranty solely to the Buyer. This finish warranty is only transferable and/or assignable exclusively to the original occupant/end user/owner of the building and is NOT TRANSFERABLE OR ASSIGNABLE TO ANY SUBSEQUENT OCCUPANT. This finish warranty does not apply to any failure or defect that occurs after the sale or transfer of a building by the building's original owner.
