Consult SBS Technical Manual for proper product application, design details and other product information.

Clear Acrylic Coated Galvalume® coating is subject to variances in spangle from coil to coil which may result in noticeable shade variation in installed panels. Clear Acrylic Coated Galvalume® coating is also subject to differential weathering after panel installation. Panels may appear to be different shades due to this weathering characteristic. If a consistent appearance is required, SBS recommends that pre-painted panels be used in lieu of Clear Acrylic Coated Galvalume®. Shade variation in panels manufactured from Clear Acrylic Coated Galvalume® coated material do not diminish the structural integrity of the product. These shade variations should be anticipated and are not a cause for rejection.

**PANEL PRICING NOTES:**
1. GALVALUME® base metal is in conformance with ASTM A792 Grade 80, Coating Class AZ55 if bare, Coating Class AZ50 if painted.
2. Cutting charge for panels less than 4'-0" in length is $1.00 per panel.
3. Panel pricing is based on a 38" panel width.
4. Yield strength is 80,000 PSI on 29 and 26 gauge panels.
5. Length tolerance is plus or minus ¼" of ordered length on all profiles.
6. Clear acrylic-coated GALVALUME® is GALVALUME® coated with a thin acrylic film intended to increase its resistance to fingerprinting and handling marks and eliminate the use of oil in the forming process. It is not a warranted film and may discolor while weathering.

**PACKAGING COSTS:**
1. Maximum 3000 lbs. per bundle, unless specified otherwise by customer.
2. Block and band with no cover sheet.................................................................$10.00
3. Block and band with cover sheet top only .....................................................$1.50/Linear Foot.
4. Block and band with cover sheet top and bottom ..........................................$2.70/Linear Foot.
5. L.T.L. Crating,.........................................................................................$3.40/Linear Foot.
